

**HIU**

**HIU INDUSTRIES CO., LTD**

## About Us

---

We specialize in high quality wire bending, welding, and fabrication which can be your one stop source for metal fabricating and finishing.

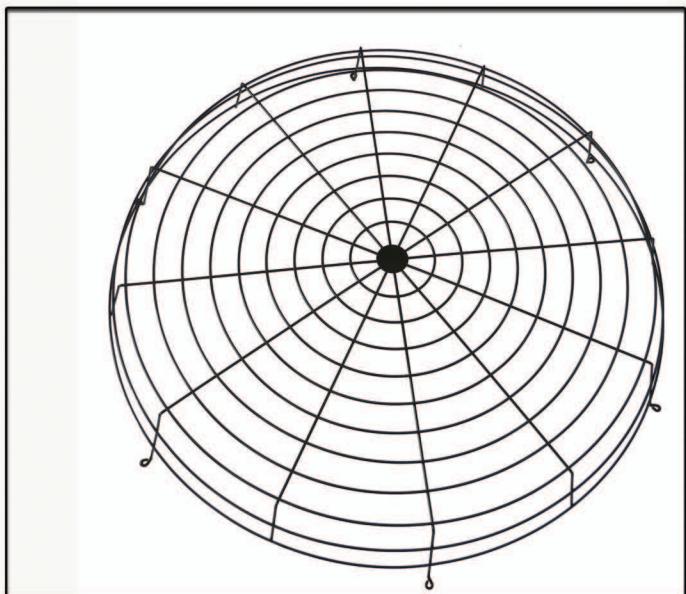

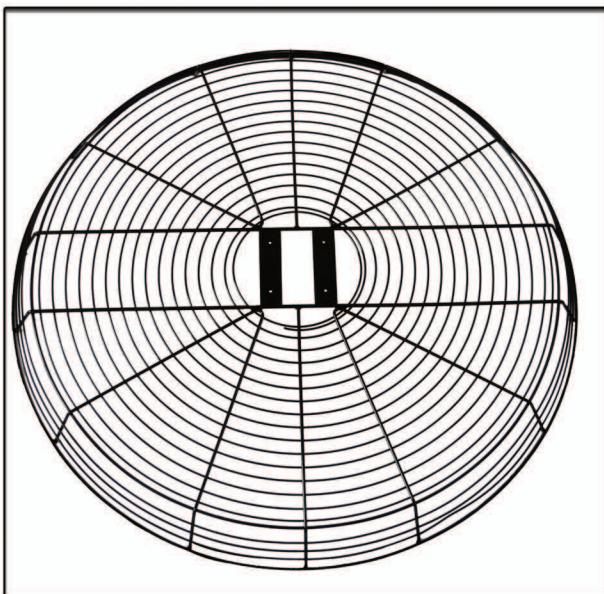

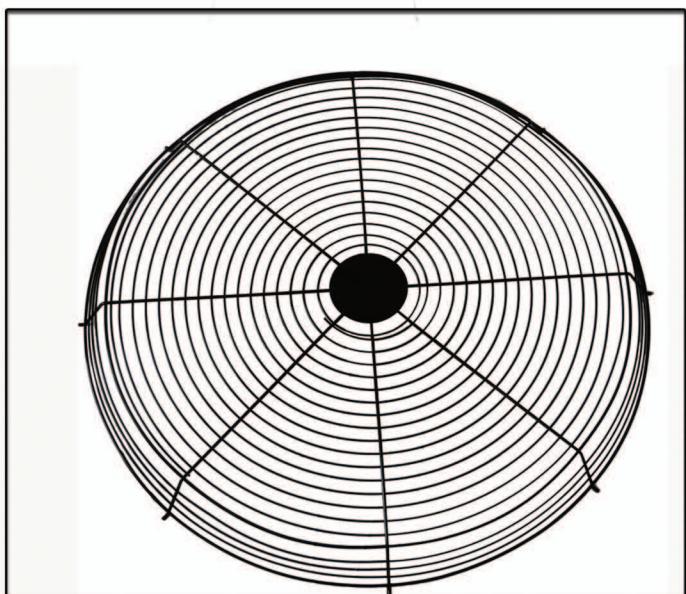

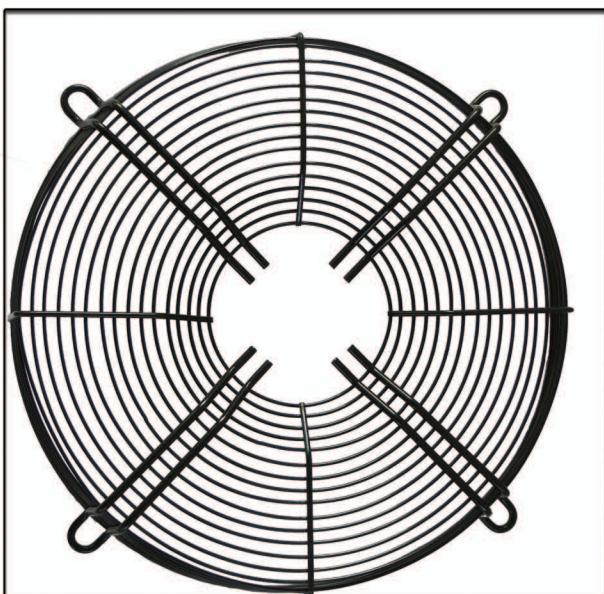

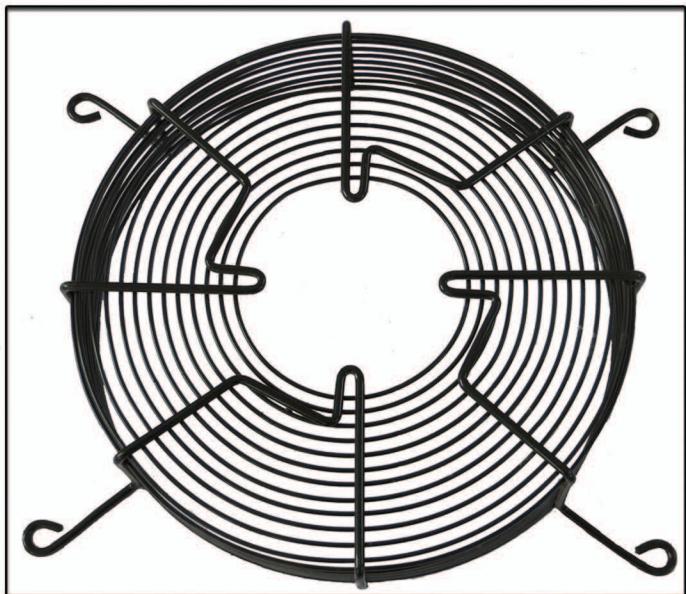

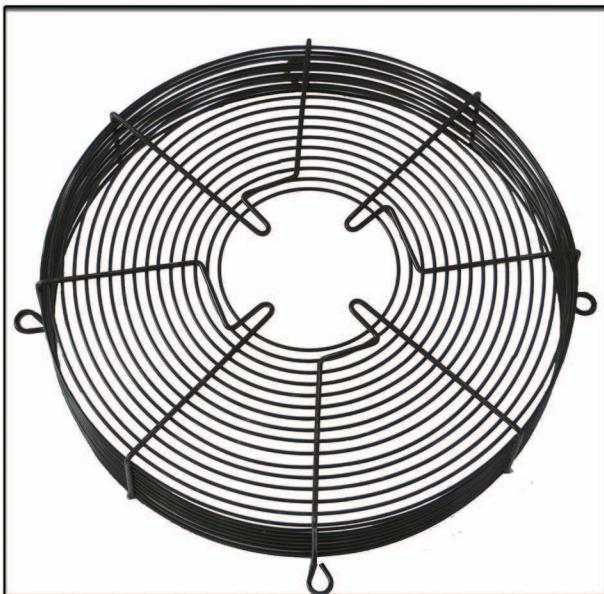

Some of our typical products include fan guards, wire grills, display racks, shelves, sanitary and bathroom parts in steel and stainless steel. High volume production runs and small orders can both be well handled.

Sheet metal fabrication is also our specialty. OEM Parts such as metal brackets, fan enclosures, orifices, flanges are what we are good at both for the quality and prices. Parts can be customized per your drawings or specifications.

Competitive prices, high quality and fast delivery make our products very well liked by our customers in Singapore, Korea, United states, Austria and other European countries.
